Fee Policy - 2026-27

29 March 2026

Dear Parent,

As you know, we have shifted our school year from Jun-Apr to Apr-Mar and thus **the new academic classes begin** from 1 April 2026, as **also the payment plans**. As you may understand that the expenses rise every year, particularly the salaries, we must increase the fee. Now, we can increase the fee by a required 12-14 percent, once, for a period of two years, as the law permits. However, keeping in mind the rising costs you also have to bear, we will split the increase in two equal parts. Looking at the past couple of years and the current economic situation we have to increase by 7% this year and the next. If however, things look better we will certainly try to reduce the percentage for the year(s) ahead.

While this percentage applies to the admission, term and tuition fees, it will be somewhat different for the Board/Council charges or Bus Fees (optional) depending on the estimated costs. As before, we will spread the amounts through the year so that you are not burdened at any one point. As regards books and uniforms, we are committed to give you a sizable discount over MRP if taken from us or the shop we prescribe. However, you are also welcome to buy the same from elsewhere.

As always, I expect you to make your payments in time, so that we can give salaries in time and also conduct activities timely and maintain the infrastructure. Please read the Fee policy below.

1. Do note that the fees are different for different Boards - School (ICSE) and College (HSC).

2. **Admission fee will be taken once** when the child enrolls in the school for the first time to ANY class.

3. Tuition, Term and Exam/Board (IX, X & XII only) fees are **calculated** against the expected expenses of a unit the entire year and divided over the number of students in that unit, **and split into** 14 amounts (2 Term + 12 Tuition)

4. **Tuition Fees will be taken monthly**. Fees will be taken at the beginning of each Month. **Term fees** will be spread over the two terms for your convenience. Other amounts will be spread appropriately.

5. There will be a fine of **Rs.250/-** for a delayed payment. If you are unable to pay in time, you must **inform us in writing before the due date** and the fine may be waived. Please understand that delayed payments make it very difficult for us to give salaries and manage other expenses.

6. **The fees include** all learning and hence compulsory activities at school including events like Talent Show, Stimulus, Environment Day, Independence day, Republic day, Study Tours etc. I strongly believe that whatever develops a child should be available for every child and not only if he/she can pay.

7. **Compulsory Hobby activity (up to std 8)** like Karate, Gymnastics, Chess, Robotics, App-making, Science-Club, Film Club, etc and weekly Music period are included in the fees. Students can choose one activity every term. **For Std 9 and 10** there is compulsory Scout & Guide activity under the subject of SUPW. This activity necessitates an outdoor camp.

8. **Board / Council / Exam Fee (for Std 9, 10 and 12)** is taken towards expenses of board / council affiliation, registration of students for board exams, teacher training, expenses for board exams, etc. This is to maintain the school standards as per the board and is a different amount for ICSE and HSC boards. This fee also includes the camp activity for std 9 and 10.

9. **Only ONE** of the following concessions can be availed of.
    a. For parents who have **more than one child** studying in any class in our school, **3 months of tuition fees will be waived off** for each child. This will apply to their education right up to std XII. This concession can be availed ONLY as long as more than one child is studying in any of our classes in that particular year.
    b. For the **children of staff members** including bus staff or peons, etc, all tuition and term fees will be waived off each year that the parent is on the staff. This is to encourage all staff members to give their best to the school.
    c. For students enrolled under the Right to Education Act (Through the govt process) we do not charge any fees. However, **we cannot assure availability of free books or uniforms**.

10. For those **paying the entire year's fees** (Tuition and Term) **before the end of May**, Second Term's term fee will be waived off. They can therefore, pay all amounts together, except the second term fee.

11. For all payments **we prefer a digital method** although we will still take cash or cheque. We do not take cards physically as they have a huge convenience fee. Please note that bounced cheques will attract a fine of Rs. 400'- towards bank and administrative charges.

12. **Bus fees** are optional and will be **different slabs by distance** from the school.

13. If a parent has **more than one child coming by the Bus**, they can avail of a discount of one term's fee less for one of their children.
